Re: Kenneth A. MacDonald's College Education Gift

July 27, 2012

Dear Mr. & Mrs. White and The Granting Others Dreams Family:

I am sorry I missed you when you came to my home to present me with your generous check for my college education.

Thank you very much for the \$2000 check to help defer my college bill at Delaware Technical Community College for this semester. This money will help me continue my education to better my future.

I appreciate your assistance, especially now that my dad is not working due to his cancer and now he is on Hospice. So this gift came at the right time so that my dad could be a little less worried about sending me to college.

I will think of you all often and please pray for my dad and me when you can.

With Sincerest Appreciation,  
Kenneth A. MacDonald III
